

# Lutheran Campus Ministry of Fresno

July 2019

## Who We Are

Lutheran Campus Ministry of Fresno is a ministry of the Evangelical Lutheran Church in America in cooperation with other Christian partners in the Central Valley. We seek to engage, equip and ignite students, faculty and Fresno community members to act justly, love mercifully and walk humbly with God. *-Micah 6:8*

## Positive Changes

Dear Friends,

Over the last few weeks the topic of change has been on my mind. Throughout my life, I've been someone who loves tradition and change can be a rather overwhelming experience. Although change is inevitable, certain traditions I hold dear to my heart and am rather hesitant to let go of.

According to the Merriam-Webster Dictionary, tradition can be defined as "an inherited, established, or customary pattern of thought, action or behavior." When I ponder the traditions that I hold close and more importantly why it's so hard to let certain traditions go, the simple answer is that I've been set in my ways for so long that anything outside of those traditions is overwhelming. The concept of change opens the door to the possibility of the unknown and the black hole and void of answers is what scares us the most. Change is intimidating simply because we don't know what we may wake up to the following morning.

Without change or rather the possibility of change there can be no traditions. Traditions are made simply because we opened our hearts and minds to something different. If all we ever do is become tethered to our past, we'll never move forward; we'll never gain new insights, new experiences, new traditions...

My hope with Lutheran Campus Ministry is we can continue to hold the traditions of LCM in our hearts and minds, but we also open the door to a possibility of a newer, brighter and better future.

Shalom,

*Autumn Scherf*  
Ministry Associate

## Gratitude

I want to share my appreciation for the work that the LCM board has done over this past couple of years. Our current board of myself, Linda Hurst, Lori Kamlade, Jeff McGrath, and Terry Roberts have been faced with a great deal of challenges as we have worked to redevelop the ministry. It has not been easy but change rarely is. I am grateful for all of their hard work to bring LCM to this point. In the coming months some of the board will be leaving us, which gives the opportunity for some new voices to join us as we reinvent the ministry.

If you think that you may be interested in serving on the board, please consider the expectations that are described below. Potential board members need to be a member of an ELCA church or one of its full communion partner congregations. The board usually meets once a month for about an hour and a half. Occasionally there may be additional meetings, such as a once a year planning retreat. In addition to attending the board meetings, members are expected to help with spreading the word about LCM and supporting the mission and vision of the ministry. Currently we are in need of someone who would be interested in being our treasurer. For more information please go to our website or contact us. I am happy to talk with anyone who is interested in joining the board.

In His service,

*Erica Bird*  
Board President

*"He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." -Micah 6:8*

## The Bulldog Pantry Corner

### A Note From The Bulldog Pantry Student Coordinator

The Bulldog Pantry has been open consistently on the second and fourth Saturdays of each month during the spring semester. We were also able to hold a special fresh produce distribution on the first Saturday of May. Additionally, the pantry will be open for three distributions during the summer, one each month for June, July and August. The Bulldog Pantry is normally closed during the summer, but we have decided to continue distributing food on an abbreviated schedule during the summer to serve the food insecure in our area more constantly. Then in the fall we will resume our regular schedule on the second and fourth Saturdays of the month.

Our attendance at the distributions has increased with our schedule being more consistent. The Bulldog Pantry used to serve about forty or fifty household units at each distribution. In the spring that number increased to about eighty and we had just about a hundred in May. So, we have helped to feed about 635 households this spring.

In the coming months our plan is to continue to increase the awareness in our area of what the pantry offers. We have recently contacted several groups who work with low income families in the area to share our services with them. We are hopeful that some of those contacts will lead to new partnerships.

Student Coordinator
