Moving Forward

There have been many changes taking place at LCM to start off 2019. Some of these changes have been larger than others but they all effect the way we minister to young adults and our surrounding neighbors. The biggest changes were related to staffing. At the end of January, we said goodbye to Pastor Paul and thanked him for all his service. Then in March we were able to welcome Autumn Scherf as a Ministry Associate. She will be running our student and young adult group. We are also in the process of redeveloping and rebranding the ministry. Soon you will be seeing a newly designed website as a part of this effort.

In His service,

Erica Bird

Board President

Welcome

Dear Friends,

Please allow me to introduce myself. As Erica mentioned, my name is Autumn Scherf and I am the Ministry Associate at Lutheran Campus Ministry of Fresno. I'd like to start by saying thank you to the support you have already given not only to our recent staff changes, but Lutheran Campus Ministry of Fresno as a whole during this time of transition.

By spending my time at LCM, I've come to discover that LCM is the next step and newest challenge in my career in ministry. While I grew up in the church and was involved in the Sierra Pacific Synod Youth Committee as well as the National Youth Core Leadership Team my journey through ministry did not stop when I transitioned into my adult years but instead, furthered my call to ministry. In the summers of 2014 and 2015 I served at Mt. Cross Ministries in Ben Lomond, CA both as Summer Staff and Leadership Staff after I devoutly committed to a three-year Jr. Counselor program at Mt. Cross while in high school. For just over the past two years, I have worked at Trinity Lutheran Church as the High School Coordinator in Student Ministry.

As part of our transition, I've begun to ask the question of who we are as LCM and what message we want to send to the Fresno community. In doing so, I've rebranded who we are and in part, you may have noticed we have a new logo! My goal is to reestablish the foundation of LCM and thus, I've updated our mission statement, created a vision statement as well as consciously and purposefully developed the overall goals of LCM. My hope is that during this continued transition, you can open your arms to Lutheran Campus Ministry and help us rediscover what it means to have Young Adult Ministry in the Fresno area.

Peace and Blessings,

Autumn Scherf

Bulldog Pantry

The Bulldog Pantry launched in the Fall of 2007 by a group of students from Lutheran Campus Ministry and leadership from Fresno State University. This group were concerned for their community's need of food assistance and were inspired to start up a food pantry. One especially unique attribute is that the Bulldog Pantry is student run! Not only is the pantry providing food services to fight hunger, it is also serving as an extension to the classroom, providing a hub where students can have hands on experience in service learning, community engagement, civic duty, and leadership skills. In the 2017-2018 year the Bulldog Pantry was able to serve a total of 2,127 clients and volunteers completed over 469.25 hours of community service!
